   (c) (1) An interpreter may be retained by the party or witness himself or herself or, if the person is unable to pay for an interpreter, may be appointed by the administrative board or agency before which the proceeding is pending.

       (2) If an interpreter is appointed by the board or agency, the fee for the services of the interpreter shall be set by the board or agency and be paid from funds available to the board or agency or be paid in any other manner ordered by the board or agency.

   (d) An administrative agency may inquire into the qualifications and integrity of an interpreter and may disqualify any person for cause from serving as an interpreter.

   (e) An interpreter for another person who is either a party or a witness in an administrative proceeding under this section shall take the following oath:

"Do you solemnly swear (or affirm) that you will justly, truly, and impartially interpret to ..................the oath about to be administered to him (her), and the questions which may be asked him (her), and the answers that he (she) shall give to such questions, relative to the cause now under consideration before this board (agency), so help you God (or under the pains and penalties of perjury)?"
25-15-102. Interpreters between a hearing individual and an individual who is deaf, deafblind, hard of hearing, or oral deaf.

(a) For the purpose of appointing an interpreter between a hearing individual and an individual who is deaf, deafblind, hard of hearing, or oral deaf under § 25-15-101:

(1) "Administrative proceeding" means a proceeding of a department, board, commission, agency, committee, or licensing authority of the state or of a political subdivision or municipality;

(2) "Deaf individual" means an individual who has a documented hearing loss so severe that the individual is unable to process speech and language through hearing, with or without amplification;

(3) "Deafblind individual" means an individual who has a combined loss of vision and hearing that prevents the individual's vision or hearing from being used as a primary source for accessing information;

(4) "Hard of hearing individual" means an individual who has a hearing loss, may primarily use visual communication, and may use assistive devices;

(5) "Interpreter" means a licensed qualified interpreter or a licensed provisional interpreter licensed by the Department of Health under § 20-14-801 et seq.;

(6) "Oral deaf individual" means an individual whose sense of hearing is nonfunctional for the purpose of communication and whose primary communication is by speech reading and spoken English; and

(7) "Oral interpreter" means a licensed qualified interpreter or a licensed provisional interpreter who interprets language through facial and lip movements only and who does not use manual communication.

(b) (1) An interpreter shall not be appointed unless the appointing authority and the individual who is deaf, deafblind, hard of hearing, or oral deaf makes a preliminary determination that the interpreter is able to readily communicate with the individual who is deaf, deafblind, hard of hearing, or oral deaf and is able to accurately interpret the statements of the individual who is deaf, deafblind, hard of hearing, or oral deaf and interpret the proceedings in which an individual who is deaf, deafblind, hard of hearing, or oral deaf may be involved.

(2) An individual who is deaf, deafblind, hard of hearing, or oral deaf entitled to an interpreter under § 25-15-101 is entitled to an interpreter as defined by this subsection.
(c) (1) An oral interpreter shall be provided upon the request of an individual who is deaf, deafblind, hard of hearing, or oral deaf who does not communicate in sign language.

(2) (A) The right of an individual who is oral deaf to an interpreter may not be waived except by an individual who is oral deaf who does not use sign language and who initiates the request for a waiver in writing.

(B) The waiver is subject to approval of counsel to the individual who is oral deaf, if existent, and is subject to approval of the appointing authority.

(d) A department, board, commission, agency, committee, or licensing authority of the state or of a political subdivision or municipality shall appoint an interpreter to interpret an administrative proceeding to an individual who is deaf, deafblind, hard of hearing, or oral deaf and to interpret the testimony or statements of the individual who is deaf, deafblind, hard of hearing, or oral deaf.

(e) (1) An individual who is deaf, deafblind, hard of hearing, or oral deaf whose appearance before a proceeding entitles him or her to an interpreter shall notify the appointing authority of the need of the individual who is deaf, deafblind, hard of hearing, or oral deaf before an appearance and shall request at that time the services of an interpreter.

(2) (A) If an individual who is deaf, deafblind, hard of hearing, or oral deaf reasonably expects the need for an interpreter to be for a period greater than a single day, the individual who is deaf, deafblind, hard of hearing, or oral deaf shall notify the appointing authority.

(B) This notification shall be sufficient for the duration of the participation of the individual who is deaf, deafblind, hard of hearing, or oral deaf in the proceedings.

(f) An appointing authority may require a person requesting the appointment of an interpreter to furnish reasonable proof of the deafness of the individual who is deaf, deafblind, hard of hearing, or oral deaf when the appointing authority has reason to believe that the deaf person, deafblind person, hard of hearing person, or oral deaf person is not deaf, deafblind, hard of hearing, or oral deaf.

(g) The appointing authority shall channel requests for qualified interpreters through the Department of Health.

(h) Before an interpreter participates in any proceedings subsequent to an
appointment under this section, the interpreter shall make an oath or affirmation that

deaf, deafblind, hard of hearing, or oral deaf for whom the interpreter is appointed; and

(2) Interpret the statements of the individual who is deaf, deafblind, hard of
hearing, or oral deaf desiring that statements be made in the language best suited to
the needs of the individual who is deaf, deafblind, hard of hearing, or oral deaf.

interpreter when the interpreter requests a recess period.

(j) Information that the interpreter gathers, learns from, or relays to the individual who
is deaf, deafblind, hard of hearing, or oral deaf pertaining to an administrative, civil, or
criminal proceeding shall at all times remain confidential and privileged, on an equal
basis with the attorney-client privilege, unless the individual who is deaf, deafblind, hard
of hearing, or oral deaf desires that the information be communicated to other persons.

(k) (1) An interpreter appointed under this section is entitled to a reasonable fee for
his or her services.

(2) The fee shall be in accordance with standards established by the Department
of Health and in addition to actual expenses for travel and transportation.

(3) (A) If the interpreter is appointed by a court, the fee shall be paid out of
general county funds.

(B) If the interpreter is otherwise appointed, the fee shall be paid out of funds
available to the appointing authority.

(2) Except as provided in § 5-64-204, the rule may be effective for no longer than one hundred twenty (120) days.

(3) If, after the expiration of the effective period of an emergency rule, an agency wishes to adopt a successive emergency rule that is identical or substantially similar to the expired emergency rule, the agency shall not adopt the successive emergency rule earlier than thirty (30) days after the expiration of the emergency rule.

(d) (1) A person may petition an agency for the issuance, amendment, or repeal of a rule.

(e) (1) (A) An agency shall file with the Secretary of State, the Arkansas State Library, and the Bureau of Legislative Research a copy of each rule proposed by it and a financial impact statement for the proposed rule.

   (B) A rule shall be filed in compliance with this section and with §§ 25-15-218 and 10-3-309.

(2) The Secretary of State shall keep a register of the rules open to public inspection, and it shall be a permanent register.

(3) If the purpose of a state agency rule is to implement a federal rule or regulation, the financial impact statement shall include:
(A) The cost to implement the federal rule or regulation; and

(B) The additional cost of the state rule.

(4) (A) If a financial impact statement reveals a new or increased cost or obligation of at least one hundred thousand dollars ($100,000) per year to a private individual, private entity, private business, state government, county government, municipal government, or to two (2) or more of those entities combined, the agency shall file written findings at the time of filing the financial impact statement.

(b) Describes how the benefits of the rule meet the relevant statutory objectives and justify the rule’s costs;

(iv) A list of less costly alternatives to the proposed rule and the reasons why the alternatives do not adequately address the problem to be solved by the proposed rule;

(v) A list of alternatives to the proposed rule that were suggested as a result of public comment and the reasons why the alternatives do not adequately address the problem to be solved by the proposed rule;

(vi) (a) A statement of whether existing rules have created or contributed to the problem the agency seeks to address with the proposed rule.

(b) If existing rules have created or contributed to the problem, an explanation of why amendment or repeal of the rule creating or contributing to the problem is not a sufficient response; and

(vii) An agency plan for review of the rule no less than every ten (10) years.
to determine whether, based upon the evidence, there remains a need for the rule including without limitation whether:

(a) The rule is achieving the statutory objectives;

(b) The benefits of the rule continue to justify its costs; and

(c) The rule can be amended or repealed to reduce costs while continuing to achieve the statutory objections.

(f) 1(A) Each rule adopted by an agency is effective thirty (30) days after filing of the final rule with the Secretary of State unless a later date is specified by law or in the rule itself.

(B) A final rule shall not be filed until the thirty-day public comment period required under subdivision (a)(1)(A) of this section has expired.

(C) (i) After the expiration of the thirty-day public comment period and before the effective date of the rule, the agency promulgating the rule shall take appropriate measures to make the final rule known to the persons who may be affected by the rule.

(ii) Appropriate measures shall include without limitation posting the following information on the agency's website:

(ii) The agency's finding, a brief statement of the reasons for
the finding, and the financial impact statement shall be filed with the rule.

(B) The agency shall take appropriate measures to make emergency rules known to the persons who may be affected by the emergency rules.

(g) A rule adopted after June 30, 1967 is not valid unless adopted and filed in substantial compliance with this section.

(h) (1) In a proceeding that questions the existence of imminent peril to the public health, safety, or welfare, a written finding by an agency that adopting an emergency rule was necessary to avoid the loss of federal funding or certification establishes a prima facie case of the existence of imminent peril to the public health, safety, or welfare.

(2) The burden of proof shifts to the challenger to rebut the existence of the condition by a preponderance of the evidence.

(a) (1) The Secretary of State shall compile, index, and publish on its website a document to be known as "The Arkansas Register".

(2) Proceeds from the sale of "The Arkansas Register" shall be deposited in the Constitutional Officers Fund and the State Central Services Fund in the State Treasury.

(d) A progress report on publication and distribution shall be provided to the Legislative Council annually.

   (a) The validity or applicability of a rule may be determined in an action for
       declaratory judgment if it is alleged that the rule, or its threatened application, injures or
       threatens to injure the plaintiff in his person, business, or property.

   (b) The action may be brought in the circuit court of any county in which the plaintiff
       resides or does business or in Pulaski County Circuit Court.

   (c) The agency shall be made defendant in that action.

   (d) A declaratory judgment may be rendered whether or not the plaintiff has
       requested the agency to pass upon the validity or applicability of the rule in question.

   (a) In every case of adjudication:

       (1) All parties shall be afforded an opportunity for hearing after reasonable notice.

       (2) The notice shall include:

           (A) A statement of the time, place, and nature of the hearing;

           (B) A statement of the legal authority and jurisdiction under which the hearing is
                to be held;

           (C) A short and plain statement of the matters of fact and law asserted.

       (3) In every case of adjudication wherein an agency seeks to revoke, suspend, or
           otherwise sanction a license or permit holder, the agency or its attorney, upon the
           request of the license or permit holder, must provide the following information prior to
           conducting a hearing of adjudication:

           (A) The names and addresses of persons whom the agency intends to call as
                witnesses at any hearing;

                made by the license or permit holder, or a copy of the same;

           (C) Any reports or statements of experts, made in connection with the particular
                case, including results of physical or mental examinations, scientific tests, experiments,
                or comparisons, or copies of the same;
(D) Any books, papers, documents, photographs, or tangible objects which the agency intends to use in any hearing or which were obtained from or belong to the license or permit holder, or copies of the same;

(E) Disclosure shall not be required of research or records, correspondence, reports, or memoranda to the extent that they contain the opinions, theories, or conclusions of the attorney for the agency or members of his staff or other state agents.

(4) Opportunity shall be afforded all parties to respond and present evidence and argument on all issues involved.

(5) The record shall include:

(A) All pleadings, motions, and intermediate rulings;

(B) Evidence received or considered, including, on request of any party, a transcript of oral proceedings or any part thereof;

(C) A statement of matters officially noticed;

(D) Offers of proof, objections, and rulings thereon;

(E) Proposed findings and exceptions thereto; and

(F) All staff memoranda or data submitted to the hearing officer or members of an agency in connection with their consideration of the case.

(6) Findings of fact shall be based exclusively on the evidence and on matters officially noticed.

(7) (A) If the agency is authorized by law to issue subpoenas for the attendance and testimony of witnesses and the production of documents or things, then any party shall to the same extent be so authorized, and the agency shall issue a subpoena forthwith on written application thereof.

(B) A subpoena may be served in the manner as now provided for by statute or rule for the service of subpoenas in civil cases or by any form of mail addressed to the person to be served with a return receipt requested and delivery restricted to the addressee or agent of the addressee.
(b) Nothing in this subchapter shall prohibit informal disposition by stipulation, settlement, consent order, or default.

(a) Unless required for the disposition of ex parte matters authorized by law, members or employees of an agency assigned to render a decision or to make final or proposed findings of fact or conclusions of law in any case of adjudication shall not communicate, directly or indirectly, in connection with any issue of fact with any person or party nor, in connection with any issue of law, with any party or his representative, except upon notice and opportunity for all parties to participate.

(b) An agency member may:

(1) Communicate with other members of the agency; and

(2) Have the aid and advice of one (1) or more personal assistants.

(a) When, in a case of adjudication, a majority of the officials of the agency who are to render the decision have not heard the case or read the record, the decision, if adverse to a party other than the agency, shall not be made until a proposal for decision is served upon the parties and an opportunity is afforded to each party adversely affected to file exceptions and present briefs and oral argument to the officials who are to render the decision. The proposal for decision shall contain a statement of the reasons therefor and of each issue of fact or law necessary thereto, prepared by the person who conducted the hearing.

(b) (1) In every case of adjudication, a final decision or order shall be in writing or stated in the record.

(2) A final decision shall include findings of fact and conclusions of law, separately stated. Findings of fact, if set forth in statutory language, shall be accompanied by a concise and explicit statement of the underlying facts supporting the findings. If, in accordance with agency rules, a party submitted proposed findings of fact, the decision shall include a ruling upon each proposed finding.

(c) Parties shall be served either personally or by mail with a copy of any decision or order.

(a) When the grant, denial, or renewal of a license is required by law to be preceded by notice and an opportunity for hearing, the provisions of this subchapter concerning cases of adjudication apply.

(b) When a licensee has made timely and sufficient application for the renewal of a license or a new license with reference to any activity of a continuing nature, the existing license shall not expire until the application has been finally determined by the agency and, in case the application is denied or the terms of the new license limited, until the last day for seeking review of the agency order, or a later date fixed by order of the reviewing court.

(c) No revocation, suspension, annulment, or withdrawal of any license is lawful unless the agency gives notice by mail to the licensee of facts or conduct warranting the intended action and unless the licensee is given an opportunity to show compliance with all lawful requirements for the retention of the license. If the agency finds that public health, safety, or welfare imperatively requires emergency action and incorporates a finding to that effect in its order, summary suspension of a license may be ordered pending proceedings for revocation or other action, which proceedings shall be promptly instituted and determined.

(d) (1) A complaint filed by an offender with a state licensing board or state licensing agency against a licensee of the board or agency shall not be heard by the board or agency unless the complaint is accompanied by appropriately verified documentation showing that the offender has exhausted all administrative remedies under the Department of Correction grievance procedure.

(2) For purposes of this section, "offender" means any person sentenced to the Department of Correction or sentenced to the Department of Correction for judicial transfer to the Department of Community Punishment or any person confined in a community punishment center as a condition of probation, suspended imposition of sentence, or post prison transfer.

(a) In cases of adjudication, any person, except an inmate under sentence to the custody of the Department of Correction, who considers himself or herself injured in his or her person, business, or property by final agency action shall be entitled to judicial review of the action under this subchapter. Nothing in this section shall be construed to limit other means of review provided by law.

(b) (1) Proceedings for review shall be instituted by filing a petition within thirty (30)
days after service upon petitioner of the agency's final decision in:

(A) The circuit court of any county in which the petitioner resides or does business; or

(B) Pulaski County Circuit Court.

(2) Copies of the petition shall be served upon the agency and all other parties of record in accordance with the Arkansas Rules of Civil Procedure.

(3) In its discretion, the court may permit other interested persons to intervene.

(c) The filing of the petition does not automatically stay enforcement of the agency decision, but the agency or reviewing court may do so upon such terms as may be just. However, on review of disciplinary orders issued by professional licensing boards governing professions of the healing arts, the reviewing court, only after notice and hearing, may issue all necessary and appropriate process to postpone the effective date of an agency action or to preserve status or rights pending conclusion of review proceedings.

(d) (1) Within thirty (30) days after service of the petition or within such further time as the court may allow but not exceeding an aggregate of ninety (90) days, the agency shall transmit to the reviewing court the original or a certified copy of the entire record of the proceeding under review.

(2) The cost of the preparation of the record shall be borne by the agency. However, the cost of the record shall be recovered from the appealing party if the agency is the prevailing party.

(3) By stipulation of all parties to the review proceeding, the record may be shortened. Any party unreasonably refusing to stipulate to limit the record may be taxed by the court for the additional costs.

(4) The court may require or permit subsequent corrections or additions to the record.

(e) If review proceedings have been instituted in two (2) or more circuit courts with respect to the same order, the agency concerned shall file the record in the court in which a proceeding was first instituted. The other courts in which the proceedings are pending shall thereupon transfer them to the court in which the record has been filed.

(f) If before the date set for hearing, application is made to the court for leave to
present additional evidence and the court finds that the evidence is material and that there were good reasons for failure to present it in the proceeding before the agency, the court may order that the additional evidence be taken before the agency upon any conditions which may be just. The agency may modify its findings and decision by reason of the additional evidence and shall file that evidence and any modifications, new findings, or decisions with the reviewing court.

(g) The review shall be conducted by the court without a jury and shall be confined to the record, except that in cases of alleged irregularities in procedure before the agency not shown in the record, testimony may be taken before the court. The court shall, upon request, hear oral argument and receive written briefs.

(h) The court may affirm the decision of the agency or remand the case for further proceedings. It may reverse or modify the decision if the substantial rights of the petitioner have been prejudiced because the administrative findings, inferences, conclusions, or decisions are:

1. In violation of constitutional or statutory provisions;
2. In excess of the agency's statutory authority;
3. Made upon unlawful procedure;
4. Affected by other error or law;
5. Not supported by substantial evidence of record; or
6. Arbitrary, capricious, or characterized by abuse of discretion.

(i) Any agency order which is affirmed or affirmed in part by the court shall be a final judgment subject to writ of garnishment or execution to the extent it is affirmed.

In every case of adjudication, and in cases of rule making in which rules are required by law to be made on the record after opportunity for an agency hearing, and in cases of rule making in which, pursuant to § 25-15-204(a)(2), the agency shall direct that oral testimony be taken or a hearing held:

1. Any person compelled to appear before any agency or representative thereof shall have the right to be accompanied and advised by counsel. Every party shall have the right to appear in person or by counsel;
(2) (A) There shall preside at the hearing:

(i) The agency;

(ii) One (1) or more members of the agency; or

(iii) One (1) or more examiners or referees designated by the agency.

(B) All presiding officers and all officers participating in decisions shall conduct themselves in an impartial manner and may at any time withdraw if they deem themselves disqualified.

(C) Any party may file an affidavit of personal bias or disqualification. The affidavit shall be ruled on by the agency and granted if timely, sufficient, and filed in good faith;

(3) (A) Presiding officers shall have power, pursuant to published procedural rules of the agency:

(i) To issue subpoenas if the agency is authorized by law to issue them;

(ii) To administer oaths and affirmations;

(iii) To maintain order;

(iv) To rule upon all questions arising during the course of a hearing or proceeding;

(v) To permit discovery by deposition or otherwise;

(vi) To hold conferences for the settlement or simplification of issues;

(vii) To make or recommend decisions; and

(viii) Generally to regulate and guide the course of the pending proceeding.

(B) In any proceeding before any agency, if any person refuses to respond to a subpoena, refuses to take the oath or affirmation as a witness or thereafter refuses to be examined, or refuses to obey any lawful order of an agency contained in its decision rendered after hearing, the agency or the presiding officer of the agency hearing may apply to the circuit court of the county where the proceedings were held or are being
held or to the circuit court of the county where a petition for judicial review was filed for an order directing that person to take the requisite action or to otherwise comply with the order of the agency. The court shall issue the order in its discretion. Should any person willfully fail to comply with an order so issued, the court shall punish him or her as for contempt;

(4) Except as otherwise provided by law, the proponent of a rule or order shall have the burden of proof. Irrelevant, immaterial, and unduly repetitious evidence shall be excluded. Any other oral or documentary evidence, not privileged, may be received if it is of a type commonly relied upon by reasonably prudent people in the conduct of their affairs. Objections to evidentiary offers may be made and shall be noted of record. When a hearing will be expedited and the interests of the parties will not be substantially prejudiced, any part of the evidence may be received in written form;

(5) Parties shall have the right to conduct such cross examination as may be required for a full and true disclosure of the facts; and

(6) Official notice may be taken of judicially cognizable facts and of generally recognized technical or scientific facts within the agency's specialized knowledge. Parties shall be notified of material so noticed, including any staff memoranda or data, and shall be afforded a reasonable opportunity to show the contrary.

In any case of rule making or adjudication, if an agency shall unlawfully, unreasonably, or capriciously fail, refuse, or delay to act, any person who considers himself or herself injured in his or her person, business, or property by the failure, refusal, or delay may bring suit in the circuit court of any county in which he or she resides or does business, or in Pulaski County Circuit Court, for an order commanding the agency to act.

(a) (1) The Attorney General shall publish model rules of procedure for use by agencies.

(2) The model rules shall include general functions and duties commonly performed by agencies.

(b) (1) Each agency created after August 13, 2001, shall adopt, in accordance with the provisions of this subchapter, those model rules that are practicable.

(2) Any agency that adopts a rule of procedure that differs from the model rule,
in conjunction with adopting the rule of procedure, shall state the reason why the relevant portions of the model rules are impracticable.

   (a) As soon as is practicable after each regular session and fiscal session of the General Assembly, each agency shall review any newly enacted laws to determine whether:

      (1) Any existing rule should be repealed or amended; or

      (2) Any new rule should be adopted.

   (b) At the conclusion of each review, the agency shall adopt a written report of the result of the review.

   (c) A copy of each report shall be maintained as a public record by the agency.

   (a) (1) Each agency which may suspend, revoke, or deny a license for acts or omissions or other conduct as provided by law may impose alternative sanctions set forth in subsection (b) of this section.

      (2) The penalties set forth in subsection (b) of this section shall be supplemental to any agency's authority to impose penalties upon any person or entity under the agency's jurisdiction.

   (b) Each agency may impose on any person or entity under the agency's jurisdiction:

      (1) A monetary penalty not to exceed five hundred dollars ($500) for each violation;

      (2) A requirement that the person complete appropriate education programs or courses, or both;

      (3) A requirement that the person or entity successfully complete:

         (A) A licensing examination;

         (B) A credentialing examination; or

         (C) Any other examination required in order to obtain a permit, license,
(4) Conditions or restrictions upon regulated activities of the holder of a license, permit, certificate, credential, registration, or other authority; and

(5) Other requirements or penalties as may be appropriate under the circumstances of the case and which would achieve the agency's desired disciplinary purposes, but which would not impair the public health and welfare.

(c) The agency may file suit to collect any monetary penalty assessed pursuant to this subchapter, if the penalty is not paid within the time prescribed by the agency, in either Pulaski County Circuit Court or the circuit court of any county in which the person or entity under the agency's jurisdiction:

(1) Resides; or

(2) Does business.

(d) Upon imposition of a sanction against a person or entity under the agency's jurisdiction, the agency may order that the license, permit, certification, credential, or registration be suspended until the person or entity has complied in full with all applicable sanctions imposed pursuant to this section.

(e) (1) Each violation shall constitute a separate violation.

(2) The power and authority of the agency to impose a sanction authorized in this section shall not be affected by any other civil or criminal proceeding concerning the same violation.

(a) (1) The Secretary of State shall publish on the Internet:

(A) All adopted rules of each state agency;

(B) A copy of each rule proposed by a state agency and the financial impact statement for each rule; and

(C) The notice for the adoption, amendment, or repeal of any rule required to be published on the Internet under § 25-15-204.

(2) The Secretary of State may publish the rules on the Secretary of State's Internet
website or may contract with a provider of Internet services to publish the rules on
another Internet website.

(3) No fee shall be charged for public access to the rules on the Internet website.

(b) The Secretary of State may omit from publication on its Internet website any rules
in which publication would be unduly cumbersome, expensive, or otherwise, so long as
its Internet website indicates where and how a copy of the omitted materials may be
obtained.

(c) Each state agency shall file its adopted rules, proposed rules, and notices with the
Secretary of State in an electronic format acceptable to the Secretary of State.

(d) (1) The Secretary of State shall establish a uniform numbering system for rules of
state agencies.

(2) Beginning July 1, 2005, all rules filed with the Secretary of State shall conform
with the numbering system.

(3) By July 1, 2005, each state agency shall:

(A) Revise its rules to comply with the numbering system adopted by the
Secretary of State; and

(B) Provide the Secretary of State with a complete set of the rules in an
electronic format acceptable to the Secretary of State.

(e) The Secretary of State shall adopt rules implementing this section.

(a) (1) Each agency shall publish on the Internet the date, time, and location of all of
the agency's meetings and hearings that are open to the public.

(2) The publication shall be made at www.arkansas.gov.

(b) The agency shall publish the notice not less than three (3) days before the
meeting or hearing is scheduled.

(c) This section does not apply to emergency or special meetings that meet the
requirements of § 25-19-106(b)(2).
SUBCHAPTER 3 – ADMINISTRATIVE RULES THAT IMPACT SMALL BUSINESSES
